

THE DESERT DISCOVERY CENTER

In association with

BARSTOW BRANCH LIBRARY

PRESENTS A FREE FILM NIGHT!

“BLUE GOLD: WORLD WATER WARS”

This is a great film to raise environmental awareness during EARTH DAY week! Wars of the future will be fought over water as they are over oil today. Blue Gold documents the environmental issues behind why we are rapidly losing our fresh water supplies, the politics behind water ownership and distribution that are worsening the situation, and the scenarios of what will happen as water becomes increasingly scarce.

A FILM BY LEO BUCKIN
BLUE GOLD
WORLD WATER WARS
NARRATED BY MARGARET MCGHEE

SHOWING THURSDAY 21ST APRIL @ 6PM

@ The Desert Discovery Center 831 Barstow Rd

This is part of the Desert Discovery Center's FREE Film Night series, shown on the 3rd Thursday of every month featuring a selection of films that provide an opportunity for the public to explore historical subjects and ecological issues of national and local relevance.

The views and opinions expressed in the film do not necessarily state or reflect those of the Desert Discovery Center Partnership.
